## 2016 Annual Meeting

On June 12, 2016 we held our 51st Annual meeting of the members. As of December 31, 2015, we were proud to report a 33% increase in member deposits and a 10% increase in loans. As you can see we continue to thrive despite economic downturn and financial uncertainties in the industry.

We would like to thank all of our members who attended this very special meeting. We also would like to congratulate our 3 raffle winners. Finally, we would like to extend a huge thank you to our entire membership for your trust and we hope to exceed your expectations in 2016.

Sincerely,

***Marvin Bader***
